What differences does it make that Jesus was Jewish?

Join us for a presentation by respected scholar Lois Tverberg as she examines some of Jesus most important words in light of their Jewish context.

The Bible's Jewish heritage will give you a richer understanding of Christ's ministry and compel you to live with a renewed spiritual passion that embraces the joy and wisdom of Rabbi Jesus.

Please pick up a copy of her book. They are available from Pastor Jim in the Chaplain's office for \$10 each, or online at www.ourrabbijesus.com. Also available after the presentation. Ask Lois to autograph your copy!
